

Bixby 44" 6-Light LED Fixed Track Light,  
Brushed Brass  
LC004989

Project Name: \_\_\_\_\_

- One modern track light constructed of sturdy steel and finished in warm brushed brass, featuring six adjustable heads with swiveling necks for precision lighting
- Each spot light can rotate to any direction while fixed along the track light rail, and each socket is lit by an ultra efficient bright white GU10 LED bulb (included)
- Can be mounted as wall lights or ceiling lights
- Easy to install using the included hardware, and with the custom-fit suction cup tool to place the bulbs snugly and seamlessly into each socket
- Ideal for kitchens, bathrooms, hallways, or living rooms; this versatile flush mount ceiling track light adds a touch of functional style to nearly any space
- Replacement bulbs are available [here](#)
