

## Marrakesh Lantern with String Lights, Amber LC005005

Project Name: \_\_\_\_\_

- One battery-powered, detailed black metal lantern lit with beautiful fairy lights captured behind amber glass windows
- This magical lantern takes three AAA batteries, discretely hidden in a black battery box at the base
- Use the switch at the bottom to set the 6 hour timer and enjoy effortless ambience each night
- On the color temperature scale, this item reads at 2200K. It is a soft, warm white - perfect for spaces meant to be cozy and inviting
- Perfect for indoor or covered outdoor events, but should be protected from the elements
