

Fall Aspen Wreath with 80 LEDs LC005105

Project Name: _____

- One large wreath comprised of waves of ombre Aspen leaves in green, yellow, and orange, dotted with berries and lit with 80 bright LEDs
- Use the built-in hook to install anywhere, and the included cute burlap bag to discreetly tuck away the battery box in moments
- Powered by three AA batteries in an easily concealable battery box
- This pre-lit fall wreath measures up to 24" in diameter after fully fluffing
- Seasonal but versatile, perfect for Halloween through Thanksgiving
