

## Stella Star Lantern with Fairy Lights, Large LC005049

Project Name: \_\_\_\_\_

- One 17" tall black and gold metal lantern, housing a string of 60 LED Fairy Lights
- This hexagonal-shaped metal lantern has a cut-out starry design for a whimsical feel and twinkle at night
- The LED Fairy Lights give off a warm white glow illuminating the metallic gold interior, and have a built-in 6-hour timer function
- Removable Fairy Lights are powered by 3 AA batteries (not included)
- The sturdy metal body can stand on its own, or be hung from top handle
- Suitable for outdoor use but should be protected from the elements - String lights and battery box are not waterproof
