Owen Table Lamp, Satin Brass
LC005147

Project Name: _____

- The Owen table lamp features a jointed, metal body, adjustable in two places for perfect positioning
- This classic reading light fits standard E26 bulbs, controlled by a convenient on/off switch built into the power cord. We recommend using a quality LED bulb for the best lighting experience
- Refined details and quality finishes make this portable shine; an elegant yet industrial silhouette, thoughtful materials, with meticulous attention to detail
- Pair with the Owen Floor Lamp or wall lights for a flattering, complimentary play within the space. Each piece has been created with distinctive details making the items work well together while keeping each piece's individuality
