

Luna LED Outdoor Wall Sconce LC005360

Project Name: _____

- Outdoor wall-mounted light features a contemporary matte black frame paired with a contrasting white opal glass cylinder shade
- Two bright integrated LED lights create a diffused uplight through the opal glass shade and a directional downlight for ground illumination
- Wet-rated fixture and weather resistant powder-coated finish will stand up to the elements
- Ideal in pairs adjacent to an entryway door or to illuminate an outdoor walkway
- Dimmable outdoor fixture can also be used indoors (dimmer sold separately)
- Elevates the outside appearance of any home while increasing safety
