

Farrah Slim Jute Flush Mount, Natural and Aged  
Brass  
LC005391

Project Name: \_\_\_\_\_

- Features a stylish, modern slim flush-mount ceiling light comprised of a natural jute shade and aged brass canopy
- Made from natural twisted jute fiber, the cords are attached to a structured circular frame
- Slim profile allows for alternate use as an interesting, textural wall sconce
- This boho inspired ceiling light takes one medium (E26) bulb, sold separately. We recommend an Edison-styled LED bulb, like our Bedford LED G40 Bulb.
- Fixture measures 18" in diameter x 5.25" High
- Brings a natural organic vibe to bedrooms, hallways, a home office, or as a wall sconce
