

Winterberry and Greenery Wreath with 100
LEDs
LC005396

Project Name: _____

- One 24" wreath of lush artificial cypress, seeded eucalyptus, and hemlock, topped with red winterberries, and pre-lit with warm white LED fairy lights
- Classic red and green Christmas colors fit into any decor style, from traditional to modern farmhouse
- Powered by four AA batteries (not included); Optional 6-hour timer included
- A tan burlap bag is included to tastefully disguise the battery box
- Battery box and LEDs can be used outdoors, but please note that the greenery should not be left in the elements for extended periods of time
- For years of enjoyment, store away in a dry location, and remove batteries before storing
