

Cypress Winter Wreath with 100 LEDs and
Velvet Bow
LC005411

Project Name: _____

- One 22" wreath of lush artificial pine, spruce, and real mini pinecones, dusted with faux snow, and pre-lit with warm LED fairy lights
- Includes a removable dark green velvet ribbon, tied in a bow for a festive touch
- Powered by four AA batteries (not included); Optional 6-hour timer included
- A tan burlap bag is included to tastefully disguise the battery box
- Battery box and LEDs can be used outdoors, but please note that the greenery should not be left in the elements for extended periods of time
- For years of enjoyment, store away in a dry location, and remove batteries before storing
