

Ellie LED Vanity Light, Aged Brass LC005431

Project Name: _____

- Wall-mounted 24" vanity light features an opal glass cylindrical light nestled inside a clear glass outer shade, with an elegant center band and round backplate finished in aged brass
- Provides bright, high-definition lighting, with "true to life" LEDs that provide an accurate reflection of skin tone and colors (90+ CRI)
- Can be installed horizontally over a mirror, or vertically as a large sconce - Perfect for a single or double bathroom vanity
- Integrated LED board lasts around 50,000 hours, providing years of illumination without having to change out bulbs
- Dimmable bath light features smooth, non-flickering dimming - Save on energy by installing a dimmer and get just the right amount of light you need (dimmer not included)
- ADA compliant wall light - extends less than 4" from the wall
