

# Open Box Ellie LED Vanity Light, Chrome LC005432-RP

Project Name: \_\_\_\_\_

- Wall-mounted 24" vanity light features an opal glass cylindrical light nestled inside a clear glass outer shade, with an elegant center band and round backplate finished in chrome
- Provides bright, high-definition lighting, with "true to life" LEDs that provide an accurate reflection of skin tone and colors (90+ CRI)
- Can be installed horizontally over a mirror, or vertically as a large sconce - Perfect for a single or double bathroom vanity
- Integrated LED board lasts around 50,000 hours, providing years of illumination without having to change out bulbs
- Dimmable bath light features smooth, non-flickering dimming - Save on energy by installing a dimmer and get just the right amount of light you need (dimmer not included)
- Open box items are products that have been returned. The products have been carefully inspected and repackaged. These are in new, unused condition and carry the same warranty as all Lights.com products. This product is final sale.
