

Open Box Hudson 44" 6-Light LED Fixed Track
Light, Matte Black
LC004994-RP

Project Name: _____

- One modern track light constructed of sturdy steel and finished in a modern matte black, featuring six adjustable heads with swiveling necks for precision lighting
- Each spot light can rotate in any direction while fixed along the track light rail, and each socket is lit by an ultra-efficient bright white GU10 LED bulb (included)
- Can be mounted as wall lights or ceiling lights
- Easy to install using the included hardware, and with the custom-fit suction cup tool to place the bulbs snugly and seamlessly into each socket
- Ideal for kitchens, hallways, or living rooms; this versatile flush mount ceiling track light adds a touch of functional style to nearly any space
- Open box items are products that have been returned. The products have been carefully inspected and repackaged. These are in new, unused condition and carry the same warranty as all Lights.com products. This product is final sale.
