

Open Box Cobble Hill LED T9 Vintage Edison
Bulb (E26)
LC003786-RP

Project Name: _____

- Features a glass and brass light bulb with hand-woven, energy-efficient LED filaments in a hairpin formation
- Boasts a unique T8 shape - long and tubular with a slightly rounded top
- Standard base size of E26 - suited for most sockets
- 3W and an estimated 25,000 hours of use; the long LED lifespan means no maintenance - install it and leave it
- On the color temperature scale, this bulb reads at 2200K. It is a soft, warm white - perfect for spaces meant to be cozy and inviting
- Dimmable, allowing you to adjust the light to your desired ambiance
- Open box items are products that have been returned. The products have been carefully inspected and repackaged. These are in new, unused condition and carry the same warranty as all Lights.com products. This product is final sale.
