Atlas 11” LED Wall Sconce, Satin Nickel
LC004088

- Each sconce features our beautiful, proprietary opal glass shade. This special glass prevents glare or harsh light, while enhancing the clarity and brightness.

- Powered by bright, energy-efficient LEDs consuming just 12 watts of energy - equivalent to one 100W incandescent bulb

- Smooth dimmability - stable, non-flickering “true to life” LEDs - provides accurate reflection of skin tone and color (90+ CRI)

- Significant amount of true white light - emulating natural daylight, allowing the item to be the primary light source in the space (3000K)
