

- The Atlas Vanity features our beautiful, proprietary opal glass shade. This special glass prevents glare or harsh light, while enhancing the clarity and brightness
- Bright LEDs that emulate natural daylight (3000K), allowing the item to be the primary light source in the space
- Smooth dimmability with stable, non-flickering "true-to-life" LEDs that provide accurate reflection of skin tone and color (90+ CRI)
- Powered by bright, energy-efficient LEDs consuming 28 watts of energy - with the brightness equivalent to three 100W incandescent bulbs

Backplate Dimensions

7" L x 5" W x .5" D

Certification

ETL, Damp Located

Color Temperature

White, 3000K

Dimmable

Yes. See compatible dimmers

Finishing

Chrome, Opal Glass

Glass Dimensions

2.5" Dia x 23.5" L

Installation Options

Hard-Wired

Lamping Details

138 Integrated LEDs, 28W Max, 120V

Light Output

2240 Lumens

Light Source + Lifetime

LED - CRI90, 50,000 Hours

Product Dimensions

24" L x 5.5" H x 3.5" Deep
