

Open Box Myrtle LED G25 Vintage Edison Bulb  
(E26)  
LC004277-RP

Project Name: \_\_\_\_\_

- Features a glass and brass bulb in an antique finish with hand-woven, energy-efficient LED filaments in a squirrel cage formation
- Boasts a unique G25 shape - globe-shaped, with pumpkin-like ridges
- Standard base size of E26 - suited for most sockets
- 4W and an estimated 25,000 hours of use; the long LED lifespan means no maintenance - install it and leave it
- On the color temperature scale, this bulb reads at 2200K. It is a soft, warm white - perfect for spaces meant to be cozy and inviting
- Dimmable, allowing you to adjust the light to your desired ambiance
- Open box items are products that have been returned. The products have been carefully inspected and repackaged. These are in new, unused condition and carry the same warranty as all Lights.com products. This product is final sale.
