

Open Box Finn 9" LED Square Glass Flush
Mount, Polished Nickel
LC004353-PN-OB

Project Name: _____

- Solid square piece of pressed glass diffused with a white interior, provides a dimensional effect, almost fluid form, when viewing from different angles
- Powered by bright, energy-efficient LEDs consuming 20 watts of energy - equivalent to two 75W incandescent bulbs
- Smooth dimmability - stable, non-flickering "true to life" LEDs - provides accurate reflection of skin tone and color (90+ CRI)
- Significant amount of true white light - emulating natural daylight, allowing the item to be the primary light source in the space (3000K)
- This open-box product is final sale, but has been fully inspected carries the same warranty as a new Lights.com product
