

Anja 18" Fabric Drum Shade Pendant, Polished Nickel
 LC004381-PN

Project Name: _____

- Drum shaped white fabric shade made from natural linen fibers, evenly disperses light preventing hotspots
- Quatrefoil scallop design wraps the perimeter of the shade, with a modern polished nickel finish
- Built to last - shade is mounted on a polystyrene structure, a light yet sturdy, durable material
- Bottom glass diffuser produces even and inviting light, accented by a matching decorative metal finial
- This fixture takes four E12 (candelabra) bulbs, sold separately
- Also available in a Flush Mount
