

Open Box Tanner Solar Flameless Lantern,  
Large  
LC005098-RP

Project Name: \_\_\_\_\_

- One large open frame lantern, housing an ultra-realistic flameless resin candle that features our exclusive Infinity Wick flame technology
- Powered by a solar charged battery (included), the dusk-to-dawn sensor lights the lanterns automatically, creating hours of effortless ambience
- Sturdy, weatherproof and rust resistant body constructed in real metal, measuring 19" tall and 8" wide (23.5" including handle height)
- Compatible with our Infinity Wick Remote Control, sold separately
- Open box items are products that have been returned. The products have been carefully inspected and repackaged. These are in new, unused condition and carry the same warranty as all Lights.com products. This product is final sale.
