

Ronan 18" Opal Glass LED Vanity Light, Aged Brass
 LC005233

Project Name: _____

- Opal glass produces soft, diffused interior provides an even diffusion of light throughout the fixture preventing glare and harsh light
- Can be mounted horizontally or vertically, utilizing an invisible mounting connection with countersunk screws
- Back panel matches the finish of product, providing a beautiful reflection from any angle when mounted on a mirror
- Powered by bright, energy-efficient LEDs consuming 20 watts of energy - equivalent to a 175W incandescent bulb
- Smooth dimmability - stable, non-flickering "true to life" LEDs - provides accurate reflection of skin tone and color (90+ CRI)
- Significant amount of true white light - allowing the item to be the primary light source in the space (3000K)

Backplate Dimensions
 5" W x 5" H x .8" Deep

Glass Dimensions
 2.36" x 16.5"

Certification
 ETL, Damp Located

Indoor or Outdoor
 Indoor

Color Temperature
 3000K

Lumens
 1460lm

Dimmable
 Yes. See compatible dimmers

Product Height
 5"

Filament Style & Amount of LEDs
 82 LEDs

Product Length
 18"

Finishing
 Aged Brass

Wattage
 20W
