

# Joni LED Alabaster Flush Mount, Aged Brass LC005344

Project Name: \_\_\_\_\_

- Ceiling mounted fixture combines an LED light board housed in a stylish rounded body in a warm brass finish with a real alabaster stone shade
- Used alone in a room or in succession in a hallway, this 14" diameter fixture makes a statement
- The Integrated LED board emits a bright, warm white light at 2000 lumens
- Alabaster is a natural stone and variations in color, texture and veining are expected
- Perfect to brighten up a bedroom, livingroom, or entryway
- Dimmable fixture
