

Ian LED Vanity Light, Matte Black and Aged Brass  
 Brass  
 LC005352

Project Name: \_\_\_\_\_

- Horizontally mounted vanity light is 25" wide, crafted in matte black iron with aged brass details, with a white opal glass cylindrical shade and integrated LED board
- Vanity produces a significant amount of true white light at 1640 lumens and 3000k; suitable as a primary light source
- Smooth dimmability - stable, non-flickering "true to life" LEDs provide an accurate reflection of skin tone and colors (90+ CRI)
- Opal glass produces a soft, even, diffused light output, preventing glare and harsh shadows
- ADA compliant wall light
