

- Ceiling mounted fixture features a single bulb housed in a gracefully styled body, in a matte black finish
- The dome-shaped, opal glass shade creates a warm and inviting glow
- Simple but dramatic as a flush mount, this fixture is especially suited for hallways, entryways, or bedrooms
- We suggest pairing this fixture with a bright, high-quality LED bulb (sold separately) for the best lighting experience
- Dimmable fixture when installed with a dimmer and dimmable bulb (not included)
- Replacement opal glass shade is available [here](#)
