# 1

## BATTERY INSTALLATION

The candles work with 2 x AA batteries (included). The battery compartment is located on the bottom of the candles. Batteries should be inserted with the correct polarity as indicated (+/-) and battery compartments secure before use.

## 2

### ON/OFF SWITCH

The ON/OFF switch is located on the bottom of the candle, below the battery compartment. Once the switch is turned to the "ON" position it can be controlled using the remote, until it is manually turned to "OFF".

## 3

### REMOTE FUNCTIONS

The candle switch must be turned to "ON" in order for the remote control to function. In order to set the timer, turn the candle off using the remote control and then press the desired timer button to set. The candle will turn on and off at the same time each day once set.
