BATTERY INSTALLATION

The ornament works with 2 x AAA batteries (included). To open the battery compartment, gently feed the wire into the battery box to slide off the compartment cover. Batteries should be inserted with the correct polarity as indicated (+/-) and battery compartments secured before use.

**2****OFF/ON/TIMER**

The OFF/ON/TIMER switch is located on the top of the battery box, below the loop used to hang the ornament. To activate the timer, move the switch to the "TIMER" position and the ornament will remain on for 6-hours. Once set, the timer will turn the ornament on and off at the same time each day. To operate the candle manually, move the switch to the "ON" or "OFF" position.
